

Lose the leash -- help us build a community dog park in north central mass!

Fitchburg DOG PARK

meet • chase • play

Dog parks provide a fenced in area where our dogs can run freely off-leash and socialize with other dog buddies; getting physical and mental exercise and allowing the opportunity to learn and grow their social and communication skills.

Your financial support will help us build our Fitchburg Dog Park and provide the park maintenance and supplies necessary to keep the park open and running smoothly. Friends of Fitchburg DOGS, Inc. is an all-volunteer group so 100% of your donation goes towards costs. There are no tax dollars or city funds going towards the park. The dog park will be made possible by membership and generous donations.

Phase I planning includes: Fencing to surround approx. 88 acres gates, leash/unleash areas, water line to feed fountain at park, accessible walkway down to park entrance, dog waste bag and receptacle stations, signage for park rules and info.

Coolidge Park is probably the most extensively used park in the city, featuring soccer & baseball fields, a swimming pool, a perimeter walking path, two street hockey rinks, and a playground. It is located at the intersection of John Fitch Highway and Pearl Street, adjacent to the Wallace Civic Center. Parking for the dog park area is accessed from Pearl Street. Friends of
